HELP IS 3 NUMBERS AWAY

211 Call for non-emergency help when you don't know where to turn. 211 will help connect you with community resources and support.

Never Use Alone Hotline

Instead of using alone, call
800-484-3731 or 877-696-1996
24/7 – 365 days a year.

All calls are confidential.
No one will ever know you called.

Here's how it works:

- One of the volunteer operators will take your location information
- They will call EMS to that location if you stop responding while using.
- All operators are people with lived experience. No one will ever judge, shame, or lecture you about quitting.
